

DR14

Ordering dimensions in **blue**

Standard dimensions

Because of the design diversity of this profile, it is not useful to list standard dimensions.

The size and position of the tolerance field have to be considered and may be adapted to special functions.

Ordering example

Profile
d x D x H [mm]
Sealing material

Rotary seal DR14
85 x 100 x 2
ECOPUR DD

Operating parameters

Material Seal	Temperature	
	from	to
–	°C	
■ ECOPUR DD	–30	+100
■ SKF Econrb	–30	+100
■ SKF Ecofkm	–20	+200
■ SKF Ecoptfe	–200	+260
■ SKF Ecotal	–50	+100

IMPORTANT NOTE: Materials are depending on the application. Please contact SKF for more information.
